whose powers of concentration are becoming impaired by the stress of business cares, and who are in danger of nervous breakdown, can be restored to a life of efficiency by a course of treatment recently discovered, which co-ordinates muscles, nerves and brain. Its simplicity and the very few minutes required at home will appeal to every man who cannot "get away" to spare the time for outdoor life. Its unfailing efficacy will be abundantly proven to the most skeptical, eminent physicians and many well known business men will testify to benefits received from practicing the

You Can Really Interpret Music Only With the Pianola Piano

To produce music and to really interpret it—To let your feelings express themselves—to let your emotions have their own way with the melody

This is the keenest, most inspiring pleasure that music affords.

Every musician knows this wonderful pleasure. And every music lover who is not a musician can experience this same delight, if inchoating a player piano, he selects

The Pianola Piano

For the Pianola Piano is the only instrument of this type that actually gives one a mastery over the music.

With the Metrostyle, the Thermoist, the Sustaining Pedal Device and its many other remarkable features, this instrument gives to the novice the musical powers of an artist.

No ordinary pianist can even approach the beautiful playing that the Pianola Piano makes easy.

And no other player piano can possibly produce such music.

The shadings and modulations, the phrasing, the accenting of certain notes or passages, the gentle or sudden changes of tempo—all the brilliant effects, all the expressiveness of touch
